## WHERE INNOVATIONS INSPIRE THE FUTURE

### Discover the Future of Jetting and Drain Cleaning at AUSJET24!

Are you ready to experience the latest innovations, technologies, and solutions in the jetting and drain cleaning industry? **AUSJET24** is just around the corner, and this year's event promises to be bigger and better than ever!

With a new, upgraded hall at the Melbourne Showgrounds and expanded outdoor demo areas, **AUSJET24** is your opportunity to get hands-on with cutting-edge equipment and network with industry leaders.

## WHY YOU SHOULD ATTEND:

### EXPLORE INNOVATIONS

Discover the latest advancements in jetting and drain cleaning technologies.

From high-pressure water jetting to state-of-the-art vacuum systems, see firsthand the equipment that will take your business to the next level.

### LIVE DEMONSTRATIONS

Our expanded outdoor demo arenas will showcase live, real-time demonstrations of the newest tools and technologies. See how these innovations can solve your toughest challenges and improve your operational efficiency.

### NETWORK WITH EXPERTS

Meet with industry experts, manufacturers, and suppliers. This is your chance to exchange ideas, discuss industry trends, and build valuable relationships that can drive your business forward.

### STAY AHEAD OF THE CURVE

AUSJET24 brings together the best minds in the industry. Attend seminars and workshops led by thought leaders and gain insights that will help you stay ahead in a competitive market.

### EXPERIENCE THE FUTURE

Get a sneak peek at the future of the jetting and drain cleaning industry. From sustainable solutions to next-generation tools, AUSJET24 is the place to see what's coming next.

## Register with us today

AUSJET24 is a trade only event for businesses registered within one of our many show categories. To attend, visitors must pre-register online at [ausjetconnect.com.au](http://ausjetconnect.com.au), or by scanning the QR code. Register yourself and your team for free in just a few minutes!

AUSJET24 is presented by the industry's peak body, the Australasian High Pressure Water Jetting Association, which incorporates the Australasian Drain Cleaning and Vacuum Association (ADCVA).

AUSJET and ADCVA exist to strengthen safety standards for business and industry working in the Water Jetting, Drain Cleaning, Vacuum Loading and Hydro Excavation Industries.

The organisation is responsive to the needs of industry and provides a strong network of member companies and businesses seeking to provide a safe work environment through improved standards, training and advocacy.

### Don't Miss Out!

**AUSJET24** is the only event that brings together the entire jetting and drain cleaning community. Whether you're an industry veteran or new to the field, there's something for everyone. Join us at the Melbourne Showgrounds and be part of the future of jetting!

**Register Now and secure your place at the most anticipated event of the year!**  
Visit [ausjetconnect.com.au](http://ausjetconnect.com.au) to register and find out more.

\* The information in the Preview magazine is correct at time of printing, however may be subject to change.

## LIVE DEMONSTRATION ARENA

This year, we've expanded the event to include a **new robotics arena** for the latest cutting-edge technology and applications.

## INNOVATION SAFETY AWARDS

How great would it be to be rewarded for all your hard work in implementing a sustained safety performance and/or culture in your workplace?

Winning an award is an exciting achievement for both individuals and companies, boasting a myriad of impactful business benefits – generating visibility and enhancing credibility.

Although no one wants to come across as arrogant or braggy (or even if you do), it's perfectly acceptable to share the news of your awards and accolades.

### If you are a Contracting Company

all you need to do is demonstrate how innovation has led to a safer workplace, and outline the initiatives implemented that have improved both physical and mental health and safety outcomes and improved overall organisational safety culture.

### If you are a Supplier

show us how your organisation has improved industry safety through innovation, via the introduction of new products or the enhancement of existing products or services.

### Or an outstanding Industry Operator

who leads from the front in the promotion of a safer workplace, strives to provide a quality service to their customers and is an effective team member.

AUSJET/ADCVA is very excited to roll out the industry awards and hope that this will prompt members to show case their own achievements and advancements in innovation and safety.

Submissions have closed, find out at AUSJET24 who the winners and runner ups will be!

### ALL COMPANY WINNERS AND RUNNERS UP WILL RECEIVE

- Winner / Runner Up Framed Certificate
- Winner / Runner Up logo for your company's website and e-mail signature
- 12 months Winner / Runner Up promotions in AUSJET / ADCVA newsletter. WOW!

### THE OPERATOR WINNER AND RUNNER UP WILL RECEIVE

- A \$250 gift card
